OVER THE FLAMES

## *Our catering, your way*

At Scout & Hunter, we understand that every occasion is unique, and we're here to make your event what you want it to be. We care about your special day, and we're committed to offering a personalised professional catering service for those celebratory moments in life that need to go well.

*If you don't see your dream menu here, please ask!  
We have plenty more to choose from on our extended menus.*

## *We get invited to the best parties*

We love hosting special events and occasions, it's what we do. Whether we're the main feature of your event, or working diligently in the background, we deliver a highly memorable culinary experience every time.

### **Locally-Sourced & Sustainable**

We are members of the New Forest Marque accreditation scheme, priding ourselves on our freshly-prepared ethically and locally-sourced foods. We hand-pick our favourite products, and each one tells a story.

### **Every guest is important to us.**

We know that the happiness of your loved ones is a part of your perfect day. Scout & Hunter handle your guests' dietary requirements with care, ensuring that there is an excellent choice for everyone, and you will always find plenty of options on our full menus that are vegan or gluten-free.

## Crafted Cocktail Canapés

Begin the festivities with a culinary celebration as we present our crafted canapés. Designed not just to tantalise taste buds but to ensure your guests are warmly welcomed, our handpicked selection promises a perfect balance of rich flavours and hearty bites.

*For a sharing-style menu, our canapés are perfectly adapted to appetisers served on shared boards – just ask!*

## Gorgeous Grazing

### Scout's Signature Grazing Station

Immerse your guests in a visually stunning display of local culinary treasures, where artisanal cheeses, succulent charcuterie, and vibrant, fresh produce are presented with an artistic touch. Our grazing station is not just a culinary spectacle; it's a celebration of flavours, colours, and the joy of communal dining—a perfect centrepiece for your unforgettable day!

### Grazing Deliveries

If you're in need of catering for your hen or stag party, or you're sharing special accommodation with your guests the night before the big day, let us take away the stress. We can provide you with a beautifully-presented grazing station or grazing delivery platters to enjoy - no fuss, just great food and great company.

# Roast, BBQ & Hot Buffet

## The Grills & Thrills Sharer Package

Savour the magic of the moment as we transform your wedding feast into a social celebration. Our Grills & Thrills BBQ sharing menu, served on sharer platters down the centre of your tables, invites guests to connect over the irresistible aroma of perfectly grilled meats and veg dishes. Complemented by artisan side dishes and salads presented in inviting sharing bowls, this communal dining experience brings your guests together to enjoy a feast from the flames.

## Roast Packages

At Scout & Hunter, we bring the art of slow-roasting to the forefront, infusing every dish with a depth of flavour that only time and expertise can achieve: our flame-cooked meats and perfectly roasted veg marrying tenderness with taste. Customise your menu by choosing your roast or adding a second, and by picking your favourite side dishes!

## Big Pan Buffet Packages

Experience culinary warmth and fusion flavours with Scout & Hunter's Big Pan hot buffet—a fully customisable menu of expert dishes served steaming, ready to delight your guests.
